## HVAC Technician

### Employment Type

Full-Time

### Description

Here at Albert's Heating, we are looking for a hard-working, dedicated HVAC Technician to join our staff. The individual in this role will be responsible for installing, inspecting, and fixing our customers' heating, cooling, and ventilation systems. Candidates should have extensive experience handling, installing, and fixing HVAC equipment, and be comfortable working with little to no supervision.

### Responsibilities

HVAC Technician Duties and Responsibilities

- Travel to homes and businesses on a daily basis as scheduled
- Perform consultations with customers
- Determine customer needs and discuss all solution methods
- Install new heating, cooling, and ventilation systems
- Inspect current HVAC systems for effectiveness and safety
- Perform preventative maintenance on HVAC systems to increase longevity
- Troubleshoot current HVAC system issues
- Repair damaged HVAC systems
- Sell ongoing maintenance contracts to current customers
- Keep records of customer appointments and payment transactions including invoices

### Qualifications

HVAC Technician Requirements and Qualifications

- 3-5 years apprenticeship under a journey person preferred
- Certification or associate's degree from an HVAC program at a technical school required
- Must hold state HVAC technician license
- Previous on the job training a plus
- Strong verbal communication skills, ability to explain complex HVAC issues with customers in a way they understand
- Critical-thinker, problem-solver
- Must hold state driver's license
- Must be punctual and adhere to a daily schedule with multiple appointments
